

DELHI PUBLIC SCHOOL NEWTOWN
SESSION 2023-2024
PREBOARD EXAMINATION

CLASS: X
SUBJECT: ENVIRONMENTAL SCIENCE

FULL MARKS: 80
TIME: 2 HOURS

*Answers to this Paper must be written on the paper provided separately.
You will not be allowed to write during the first 15 minutes.
This time is to be spent in reading the Question Paper.
The time given at the head of this Paper is the time allowed for writing the answers.*

*Attempt all questions from Section A and any four questions from Section B.
The intended marks for questions or parts of questions are given in brackets [].
This question paper consists of five printed pages.*

SECTION A (40 Marks)
Attempt all questions from this Section

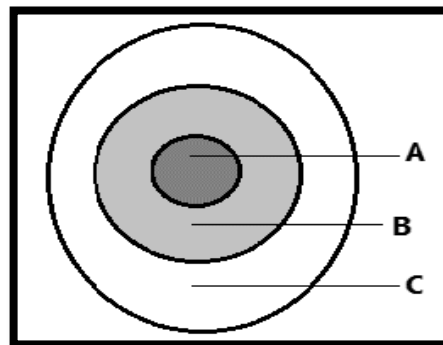

QUESTION 1

[16]

Choose the correct answers to the questions from the given options.
(Do not copy questions, write the correct answers only.)

- i. Project Tiger was started in
 - a) 1953
 - b) 1963
 - c) 1973
 - d) 1983
- ii. GIS means
 - a) Geographic Information System
 - b) Grad Input System
 - c) Geographic Input System
 - d) Geographic Information Sensing
- iii. The significant feature of a pandemic are
 - a) affects nearly the whole world
 - b) spreads quickly in humans
 - c) caused by an infectious agent that can spread rapidly
 - d) all of the above
- iv. Example of in-situ conservation is
 - a) Zoological Parks
 - b) Gene Banks
 - c) Biosphere Reserve
 - d) Botanical Garden

- v. 'Lungs of the planet Earth' refers to
 - a) Taiga forest
 - b) Tundra forest
 - c) Amazon Rain forest
 - d) Rainforests of North-East India
- vi. Which is not an effect of soil erosion?
 - a) Textural changes in soil
 - b) Siltation
 - c) Increase in biodiversity
 - d) Desertification
- vii. Which of the following is a Nuclear disaster?
 - a) Minamata disaster
 - b) Chernobyl disaster
 - c) Bhopal Gas Tragedy
 - d) Exxon Oil Spill disaster
- viii. Father of Green Revolution in India is
 - a) Dr. M.S. Swaminathan
 - b) Dr. Hargobind Khurana
 - c) Dr. Salim Ali
 - d) Sundarlal Bahuguna
- ix. With reference to the figure, answer the following question

- Which in-situ conservation strategy does the above figure indicate?
- a) Wildlife Sanctuary
 - b) Biosphere Reserve
 - c) National Park
 - d) Seed Banks
- x. Assertion(A)—There has to be an integrated approach to achieve the targets of Sustainable Development Goals(SDG).
Reason (R)—Many of the SDGs are interconnected.
- a) A is true and R is the correct reason for A.
 - b) A is true but R is not the correct reason for A.
 - c) A is true but R is false.
 - d) A is false but R is true.

- xi. **Statement A:** Free markets allow the world to make purchasing and production decisions based on competitive pricing and expertise.
Statement B: LDCs have a comparative advantage in producing technology-intensive goods and services.
- Both Statements A and B are correct.
 - Statement A is correct and Statement B is incorrect.
 - Statement A is incorrect and Statement B is correct.
 - Both statements A and B are incorrect.
- xii. Match Column 1 with Column 2 and choose the correct option from those given below.

Column 1
 (A) Algal bloom
 (B) Dioxin
 (C) Methane
 (D) DDT

Column 2
 (i) Incineration
 (ii) Biomagnification
 (iii) Eutrophication
 (iv) Global warming

- (A-ii), (B-iv), (C-iii), (D-i)
- (A-iii), (B-i), (C-iv), (D-ii)
- (A-iv), (B-ii), (C-i), (D-iii)
- (A-i), (B-iii), (C-ii), (D-iv)

The following questions (xiii—xvi) are based on the figure given below. Answer these questions by choosing the correct option.

- xiii. The full form of IUCN is
- International Union for the Conservation of Nature and Natural Resources
 - International Union for the Conservation of National Resources
 - Indian Union for the Conservation of Natural Resources
 - International Union for the Conservation of Natural Gas
- xiv. The headquarters of IUCN is at
- Hague
 - Geneva
 - Rio
 - Switzerland
- xv. The Red List contains
- Categories of names of wild and domesticated species.
 - Categories of names of commercially viable species.
 - Categories of names of threatened species.
 - Categories of names of species based on their size.

xvi. The bird Dodo belongs to _____ category.

- a) Critically endangered
- b) Vulnerable
- c) Extinct
- d) Extinct in the wild

Question 2

- a) List any two ways by which electricity can be generated without the use of fossil fuels. [2]
- b) Who launched 'Swachh Bharat Abhiyan'? How will it benefit the rural poor? [2]
- c) What benefits does an MNC have on the growth of developing nations? [2]
- d) Name any two agreements of environment protection at the global level. [2]
